A screenshot of the Plex password reset interface. At the top, the Plex logo is displayed in white on a dark blue background. Below the logo, the title "Restablecer contraseña" is centered in a bold, dark font. Underneath the title, a message in a smaller font asks the user to enter the email address associated with their Plex account. Below this message is a text input field with a vertical cursor. At the bottom of the form is a large orange button with the text "Enviar Instrucciones" in white.

Debes introducir el correo electrónico registrado en Plex; ahí te enviarán un vínculo para que puedas establecer una nueva contraseña.
